

The petition. The process. The record.

AT A GLANCE

ORGANIZATION

Grand Jury Justice

COURT REFERENCE

Tulsa County District Court · Case No. GJ-26-2

SOURCE FILING

Petition to Impanel a Grand Jury, filed September 23, 2026

SUBJECT

Requested investigation of Stephen A. Kunzweiler and the Tulsa County District Attorney's Office

WHAT THE PETITION REQUESTS

The petition identifies eleven areas of inquiry and asks for a citizens' grand jury to examine the matters described. The filing includes questions about case handling, conflicts, records, office supervision, and public resources.

A filed allegation is a claim. A question asks what happened. Neither is a finding that misconduct occurred. The original filing is included so readers can examine the complete wording.
